If you bring a canopy, it must be NFPA 701 fire-rated. Crafters must bring their own tables. We have folding chairs and a space for your use. If you accept credit cards, you must bring your own machines to process your transactions manually as there is no electricity in the field. Please make your check payable to "The Meadows Foundation," and return it and this form by 4/15/10 to The Meadows Foundation, 1289 Easton Ave., Somerset, NJ 08873. The memo part of the check should read "table reservation." While all profits are yours, of course, a small tax-deductible monetary donation to the Meadows will be greatly appreciated. Thank you!
